Notification of Change in ownership
to Combe Fill Corp.

Dear Director Tylutki:

Pursuant to our recent telephone conversation, please find enclosed two Notifications of Change in Ownership for the above solid waste disposal facilities, along with a check in the sum of \$100.00 as a processing fee.

As you may recall, during our recent telephone conversation, I informed you that the Board of Public Utility Commissioners recently approved the transfer of the assets of the above solid waste disposal facilities to Combe Fill Corp. The Board in its Order consolidated the Certificates of Public Convenience and Necessity and placed a change of name on the existing Certificate. A copy of the Board's Order is attached hereto for your information.

As I discussed with you, the closing for the within transaction is to take place on September 11 and 13, 1978. I recognize that under the rules of the Bureau of Solid Waste Management all that is required is notification of changes of this nature. However, I have completed the enclosed application in order that a formal record of the change may be

appropriately recorded in the Department's file.

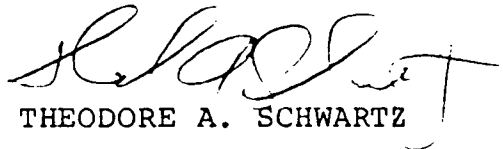

I also recognize that there may be some outstanding penalties that should be resolved and I have been waiting for a letter from the Department in response to my request for reconsideration of the said penalties. I met with Mark McQuerrey, Esq. sometime ago and presented a substantial set of mitigating factors relating to certain of the past violations. In regard to these penalties, I have a substantial escrow account; and, as such, I will assume the responsibility of seeing to it that the penalty settlements are paid so as not to effect the closing. You can treat this letter as a personal guarantee of the same.

I also understand that both solid waste facilities are current relative to registration and inspection fees. I would appreciate your changing the Department's records as per the enclosed application, and forwarding me a letter confirming the same. I would like to have the aforesaid document, if you can accommodate me, at the time of the closing on September 13, 1978.*

Should you have any questions, please feel free to contact me at your earliest convenience. Thanking you in advance for your kind courtesies.

Yours truly,
